

The ARTS Center

presents

Palmetto Structures

an exhibition of fine art photography with structures in and about South Carolina as subject matter, curated by Del Kimbler, guest curator. The exhibition includes works by Deana Chavis Baker, Alrinthea Carter, Kelli Gaskin, John A. Giordano, Jeffrey Hinkle, Barbara J. Hoskins, Lee Parks, Bruce Schlein, John Teate, Patrick Wright, and Russ Warmath.

The exhibition will be displayed March 1 through April 30.

This is the first in a series of exhibitions using wall space in ARTS Center hallways. The theme for this exhibit is based on a suggestion from Alrinthea Carter and friends on the staff of Clemson University.
