If it's Paper!!

Terri Earl Brooks

Books and boxes, mini murals and more, are the exciting creations we will be making with paper! Paper Mache, paper cutting, paper molding, paper folding. Inspiration will come from artists such as Matisse, Callesen, Saline, and Kerr.

(Ages 6-8)

Jewelry & Small Sculptures

Laura Dahl

Use a variety of different materials like polymer clay, metal, paper, egg shells and beads to make your very own wearable jewelry and colorful small art sculptures.

(Ages 7-9)

Art of Book Art

Pam Pniak Thompson

You won't find these books at the bookstore! Discover the world of the book as art. You will be introduced to beautiful handmade papers and simple bookbinding techniques. You will explore many famous book artists and be inspired to create your own expressions through sculptural or poetic books.

(Ages 10+)

AFTERNOON

1:00 pm to 4:00 pm

Let's Paint!

Deana Baker

Deana will introduce you to the fundamentals of drawing and painting. Using watercolor, pencil, wax color and acrylic paints on different paper and to vary you will explore how to create landscape and still life paintings using the basics of line, shape, and color.

(Ages 6-8)

Drawing Room

Tatjana Mai-Wyss

This is THE class for kids who would love to know more about it. Explore the shape, form, composition, proportions, texture and color while drawing from life and our imagination. Experiment with a variety of media such as charcoal, ink, pencils and pastels.

(Ages 9+)

Reptiles & Insect yard art

Ernst Meyer

Explore creepy crawly creatures up close and in clay! Sculpt, shape and create large reptiles and insects to decorate your yard. Coil building, pinch methods and texture tools from nature will be used to complete these fun and fantastic creatures.
